PROCEEDINGS

I. Call to Order

The virtual meeting, which was conducted online in compliance with the requirements imposed by the Securities and Exchange Commission, was called to order by the Chairman, Mr. Lowell L. Yu, who thereupon presided over the same. The Corporate Secretary, Atty. Cristina S. Palma Gil-Fernandez, recorded the minutes of the proceedings.

II. Certification of Notice and Quorum

At the request of the Chairman, the Corporate Secretary certified that based on the records, notice of the annual meeting of the stockholders of the Company for the year 2023 was published: (i) in print format of the Business Mirror and The Manila Times, and (ii) through a digital print copy also of the Business Mirror and Philippine Star on October 19 and 20, 2023; that there were represented in the meeting, in persons or by proxy, stockholders owning or representing a total of [•] common shares representing [•]% of the total issued and outstanding voting stock of the Company; and that there was therefore a quorum at this meeting.

At the request of the Chairman, the Corporate Secretary confirmed that the shareholders have been informed on the manner of voting for this meeting, details of which were provided on pages 25 and 26 of the Definitive Information Statement. The Corporate Secretary explained that a stockholder may vote by either: (i) submitting a proxy in writing, in the form provided in the Information Statement, signed and filed by the stockholder on or before November 10, 2023; or (ii) voting electronically, through Pacifica's Electronic Registration and Online-Voting System at <https://registration.pacifica.ph/>, in both cases, subject to validation procedures.

The Chairman then reminded the shareholders that they may vote their shares online at any time during the meeting prior to the closing of the polls.

III. Approval of the Minutes of the Annual Stockholders' Meeting held on 26 November 2020

Based on the tally of votes received online, stockholders representing more than a majority of the entire outstanding voting stocks of the Corporation resolved to approve the minutes of the Annual Stockholders' Meeting held on 7 October 2023 in its entirety.

IV. Approval of the President's Report and Annual Report for the Year 2022

The President, Mr. Winglip K. Chang, reported on the financial condition and results of operations of the Company for the year 2022. The highlights of his report are as follows:

1. The total assets at the close of the fiscal year 2022 were largely consistent with the previous year. A marginal dip in current assets from PHP 111 million in 2021 to PHP 110.7 million in 2022 was noted, attributable to routine administrative expenditures.
2. Current liabilities decreased by 6% to PHP 1.18 million in 2022, down from PHP 1.27 million in 2021. This reduction reflects the structured management of obligations predominantly from accrued professional fees, taxes, licenses, and other operational costs.
3. As of year-end, Pacifica Holdings reported no non-current liabilities. Consequently, total liabilities mirrored current liabilities, standing at PHP 1.18 million, marking a 6% year-on-year decrease.
4. Net equity experienced a slight contraction of 0.02%, settling at PHP 109.5 million in 2022 compared to PHP 109.8 million in the preceding year.
5. The Company's liquidity, as measured by the Working Capital Ratio, improved to 93.148 in 2022 from 87.488 in 2021. This enhancement signifies our ability to fulfill short-term obligations with current assets.
6. The solvency ratio was sustained at 0.011, unchanged from 2021, underscoring the negligible effect of the net loss for the year.
7. The Debt-to-Equity ratio for 2022 stood at 0.0109, a slight improvement from 0.0116 in 2021. This is indicative of a lower net loss, offset by the interest income on a receivable from a related party, affirming our conservative leverage approach.
8. Pacifica Holdings maintains a strong liquidity position. Currently, there are no foreseeable events or uncertainties that could significantly alter our liquidity status. Pacifica Holdings is compliant with all financial obligations and have no significant capital expenditure commitments. Thus, management foresees no liquidity or cash flow challenges in the forthcoming twelve months.
9. Despite the lack of commercial operations and associated revenues for the fiscal years ending on December 31 for 2020, 2021, and 2022, the company recorded losses predominantly due to administrative costs. However, management is confident that these losses will not significantly impact the financial integrity of the company.

Based on the tally of votes received online, stockholders representing more than a majority of the entire outstanding voting stocks of the Corporation resolved to approve the President's Report and Annual Report for the fiscal year ended 31 December 2022.
